*We opened a door on a
world of knowledge*

Foreword

We, the Senior Class of 1962, present to with sincere good wishes the eighteenth edition of the Peak. We hope it brings to mind the pleasant memories of the never-to-be-forgotten ball games, dances, and last but not least classes and classmates.

Business Manager
Russell Hatfield

Co-Editor
Mary Jane Salyer

Language Arts.

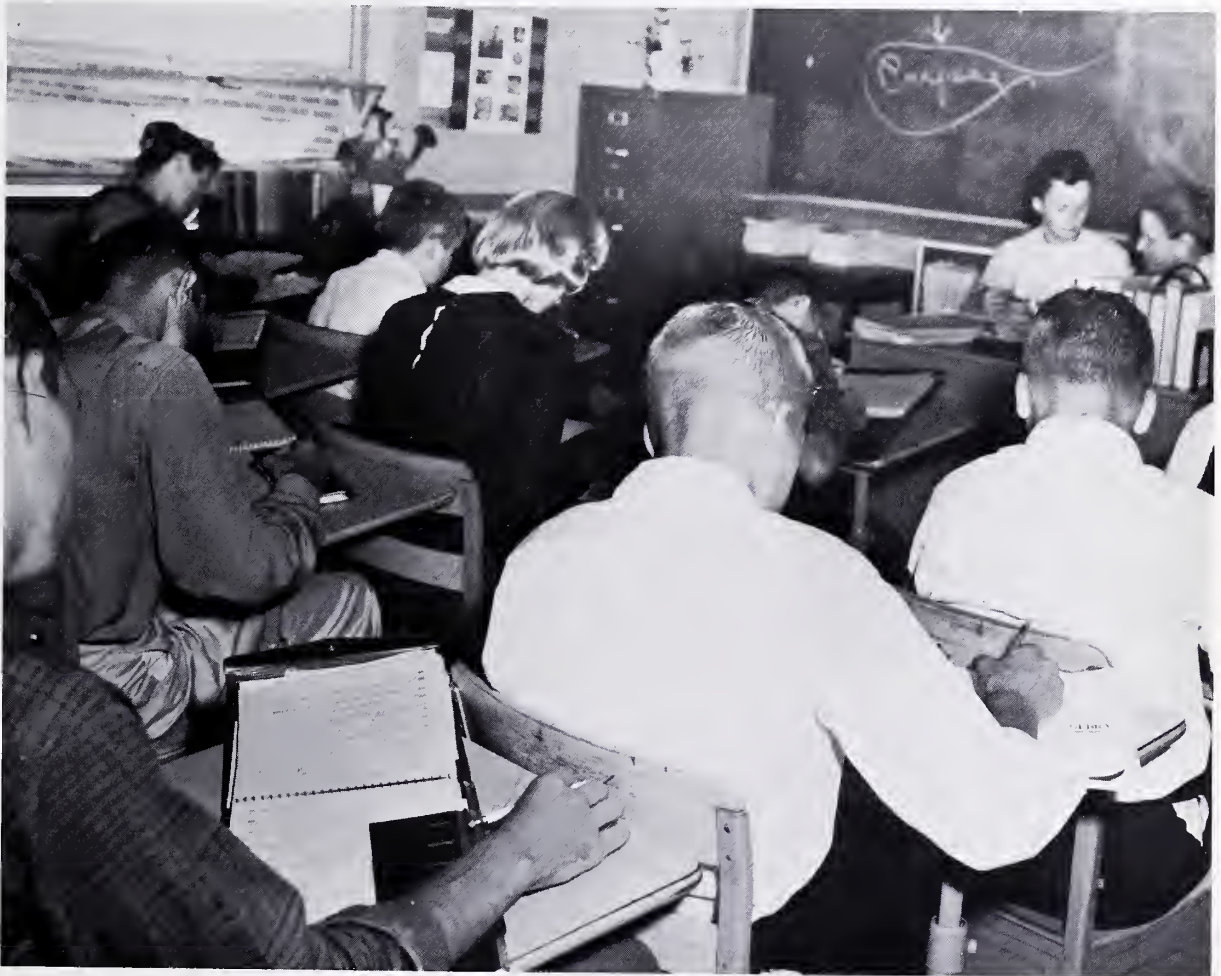

In English class we learn to communicate with others. We develop those skills of reading, writing, listening and speaking which are of value to us in our personal, social, and occupational life.

The Language Arts program is made up of literature and grammar. Through literature we make friends with characters out of the past, present, and future both real and fictional.

In grammar we learn to express ourselves both in writing and speaking.

The benefit of mathematics to the human race is unmeasurable. The paths of rockets and the orbits of satellites are mapped out through the use of mathematics. The use of Mathematics makes possible our skyscrapers, and contributed to our enjoyment of a fuller life.

Mathematics is interesting and informative. In order to prepare its students for the future, our school offers a variety of subjects in the field of mathematics. Plane Geometry, business mathematics, Algebra I and II have always been taught at T.H.S. This year we are glad to offer to the students two new and interesting subjects which are mechanical and machine mathematics.

Mathematics

Social Studies

In government class we learn to be better citizens by learning how our government functions. We learned what citizenship is and what is expected of us in later life. We try to keep better informed on world affairs so that we can understand the problems of other countries and how they effect the United States. We also learn how to express our opinions of world affairs both written and oral. We feel that we are better equipped to face our responsibilities as citizens after such a class.

Business

Typing is one of the many commercial subjects that our school offers. It serves as one of the basic requirements for those who plan to enter the business world but is also a great asset to anyone who plans to attend college.

This year our school is meeting the demand for typing by teaching two eight o'clock classes in addition to the regular ones.

Science

The composition of matter has always been an absorbing intrigue to mankind. Since the beginning of time, chemistry has played a vital role in the progress of man. Machinery, electricity, and atomic power are the results of the probing by man into the realm of the atom. As long as the world continues to progress and give birth to important discoveries and new inventions, chemistry will continue to be one of the main factors in the advancement of mankind.

Our Home Economics courses provide our students with an effective foundation in the arts of cooking, sewing, and home canning which are essential in taking care of a home. While the girls are learning, they put their efforts to good use. For example, on Tuesday, September 26, the classes baked cookies for the College Night program.

When our students have finished these interesting and beneficial classes, they may feel certain that they are adequately prepared for the responsibility of taking care of a home.

Home Economics

Music

Music has always been a source of enjoyment to all. Listening to all types of music is a pleasure enjoyed by everyone. Bach, Mozart, and other classic composers wrote thrilling compositions loved by many. Jazz, the blues, and rock and roll, are modern and popular types of music.

An even greater pleasure is the ability to perform. Our school offers three activities for the musically inclined. Band and piano are taught for those who wish to play an instrument; Glee Club is enjoyed by those who like to sing. All of the students are proud of their achievements in the music field.

As we leave school behind us, we close a door on part of our life
and open another—the door to the future.

Sincerely dedicated. . . .

We wish to express our everlasting gratitude and deep appreciation to one who has served us in many ways. As a teacher she has instilled the desire for knowledge. She has instructed, corrected and directed us in our many different activities and paths of our high school career.

As a person she sheds a sunny smile and cheery word to everyone. Her friendship and respect are highly regarded by teachers and students alike. Because she has contributed so much, we, the annual staff of 1962, dedicate this edition of the Peak to Mrs. Frances Simpson.

"Hard at work on another test."
"Wonder if she is using the old
hunt 'n' peck system?"

They stay well informed on current affairs around the
world and here at home in the good old U.S.A.

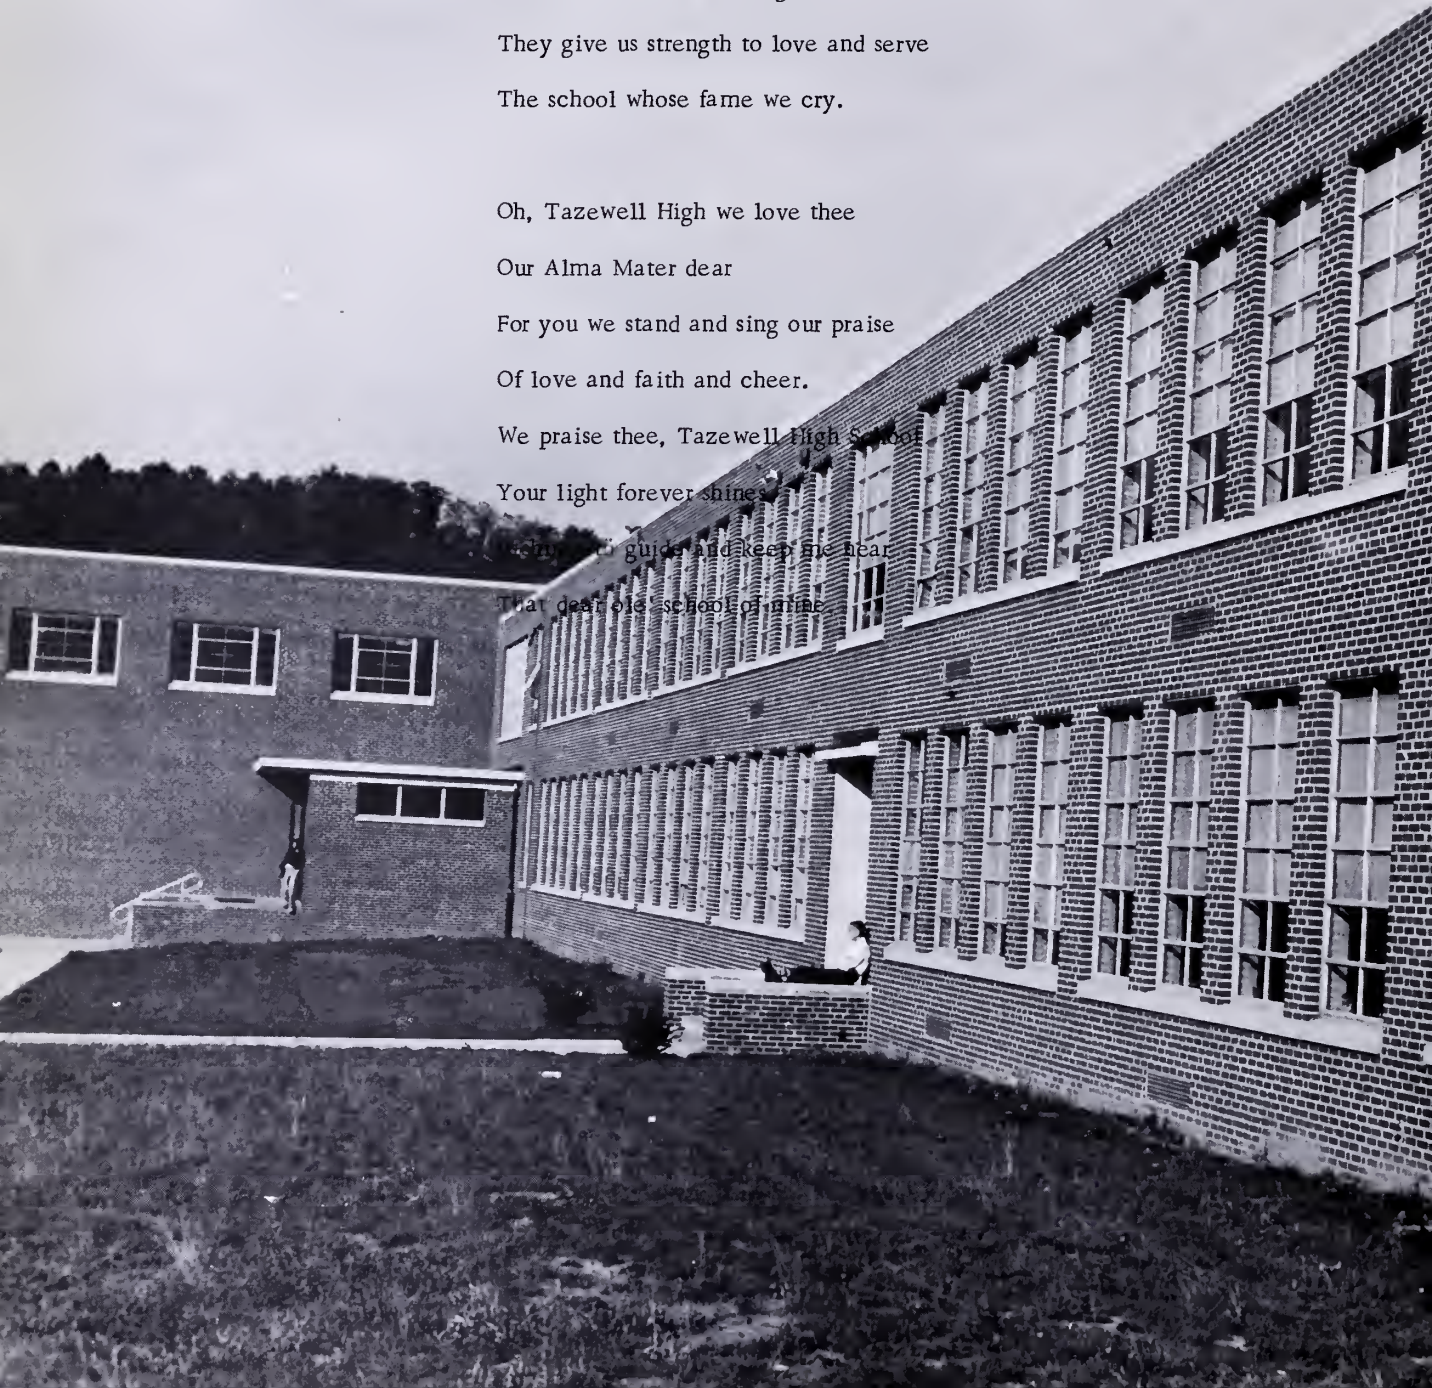

"A pleasant end to another day."

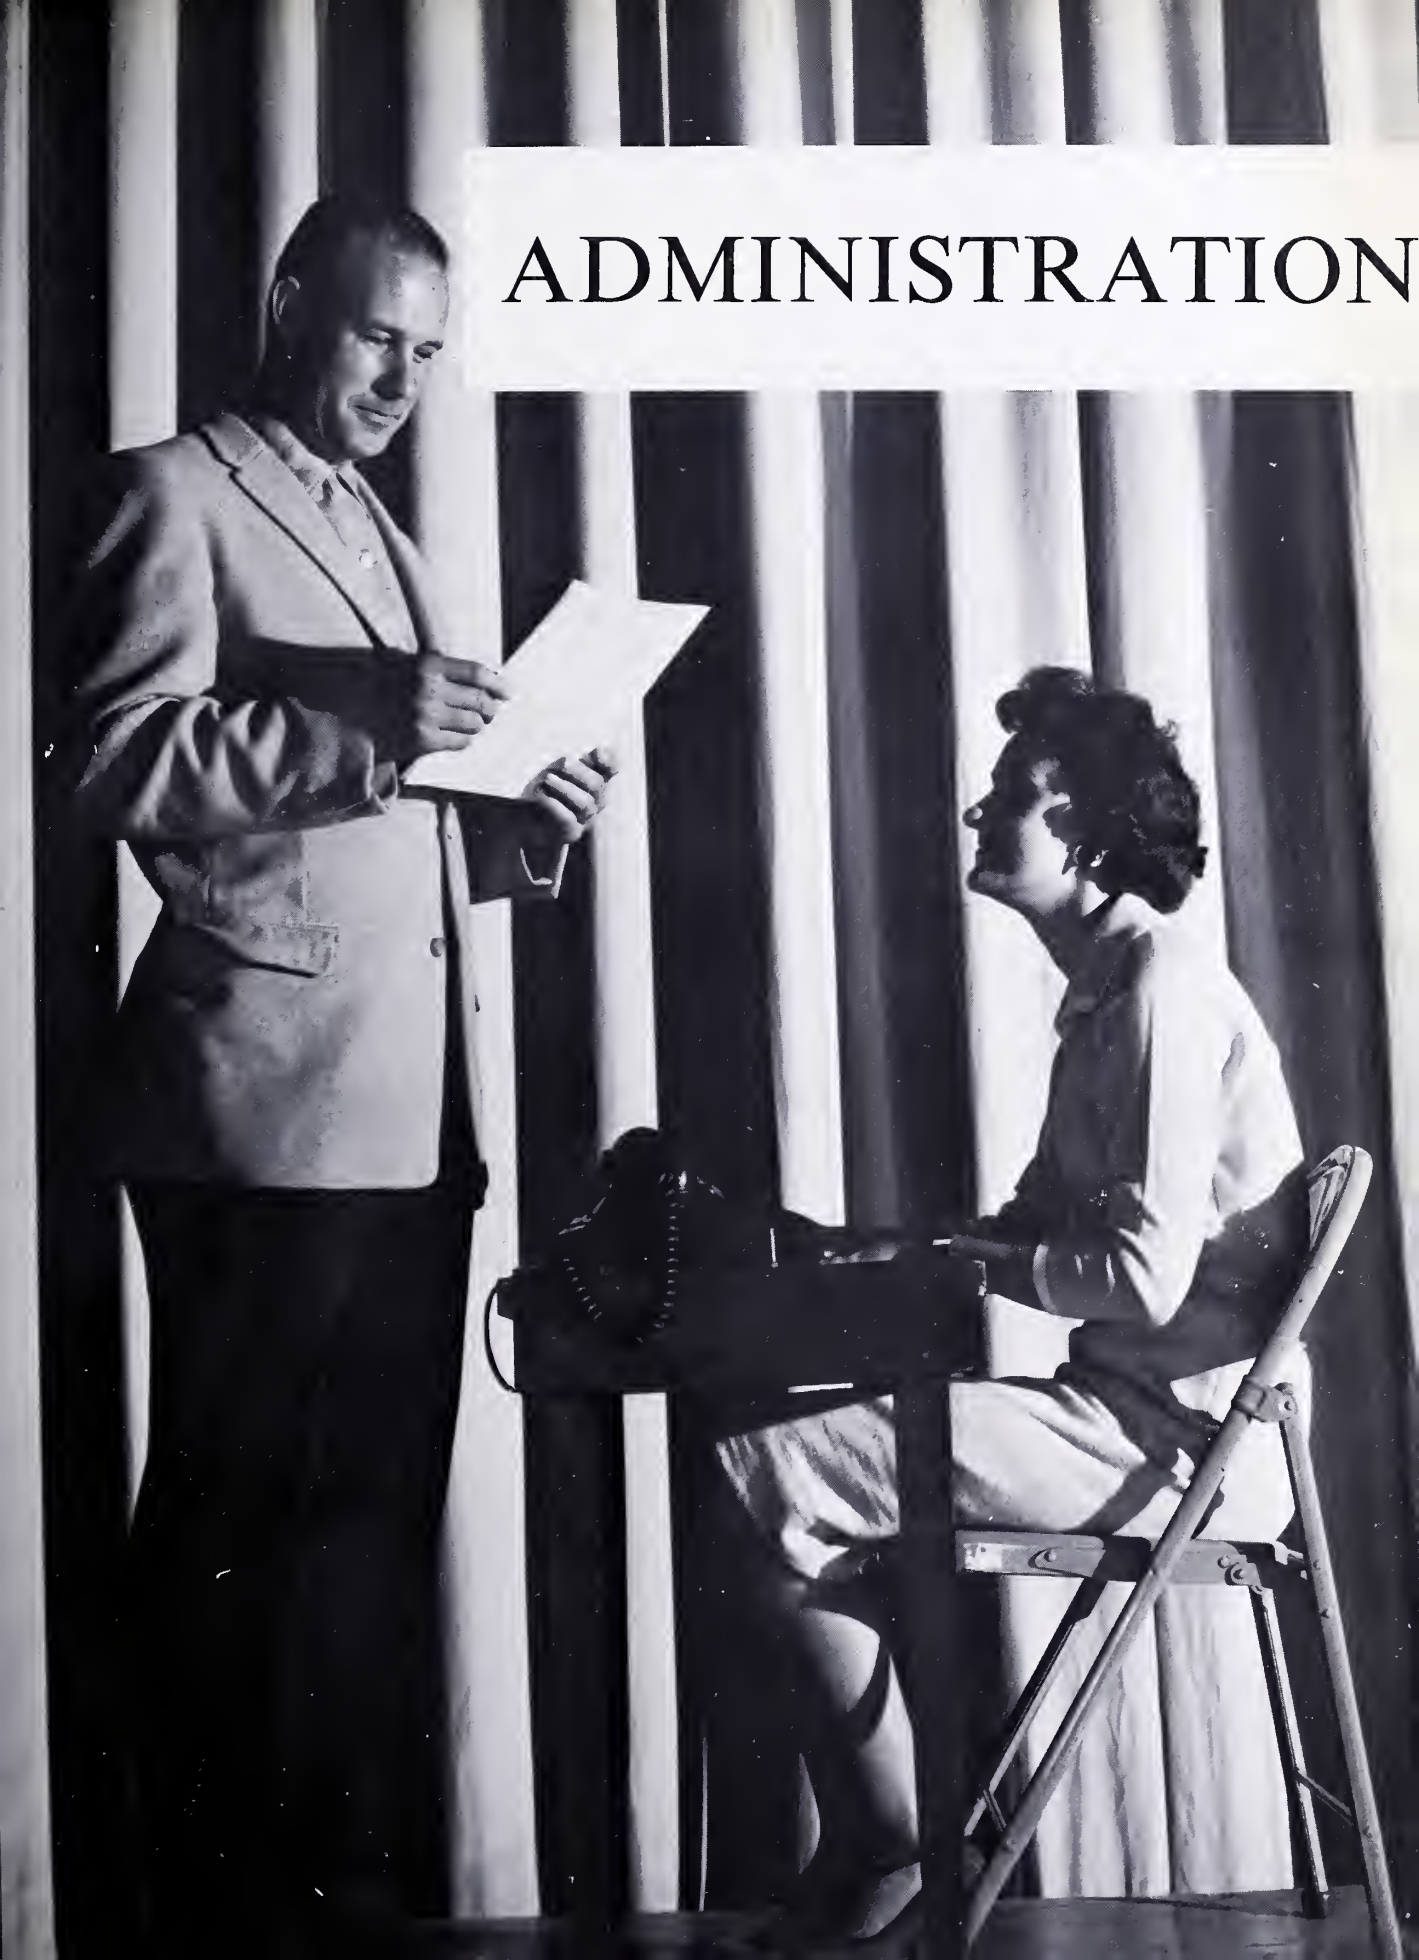

Our Alma Mater

Where mountains stand so boldly
Where skies are always bright
Our Alma Mater lifts her head
And sings her strength and might
We lift our eyes unto the hills
That shelter Tazewell High
They give us strength to love and serve
The school whose fame we cry.

Oh, Tazewell High we love thee
Our Alma Mater dear
For you we stand and sing our praise
Of love and faith and cheer.
We praise thee, Tazewell High School
Your light forever shines
To guide and keep me near
That dear old school of mine

ADMINISTRATION

Administration

Annuals are for remembrance--of things past, such as our school and our youth. In the years to come, when you open this book and recall your schoolmates and all that you did here, I think you will agree with the words of a promising American writer who did not live to be old--as you will never be when I remember you.

Your principal and friend,

Eugene Ross

"Man's youth is a wonderful thing: it is so full of anguish and of magic, and he never comes to know it as it is, until it has gone from him forever. It is the thing he cannot bear to lose, it is the thing whose passing he watches with infinite sorrow and regret. It is the thing whose loss he must lament forever, and it is the thing whose loss he really welcomes with a sad and secret joy, the thing he would never willingly re-live again, could it be restored to him by any magic."

At last our dream has come true. We are seniors, small in number but big in ideals. Soon we will be going our own separate ways and taking our places as citizens in our community, state, and nation. Even though we will be separated as the years go by, we will never forget the friends we made in high school, the good times we had, and our studies. All of which now play such an important part in our daily lives.

Juniors at last! It really gives us a wonderful feeling to know that we lack only one more year of high school days after this one. During our high school days we have enjoyed our studies, parties, dances, and other school functions. We look forward to our Senior year with great enthusiasm and anticipation. We shall always consider our days at T.H.S. as "Golden" days to be remembered in years to come.

Just chatting.

Wrong again!

Hard at work???

Sophomore Class

We, the Sophomores, have begun our third year at T.H.S. The first two years have been full of thrills and excitement. The football games, dances, and other activities will always remain as vivid memories. Our studies have been hard and much work, but on the whole they were informative if not fun. We hope the next three years are as enjoyable. Hurrah for the class of '64.

Motto: Give to the world the best
you have and the best will
come back to you.

Freshman Class

We, the Freshmen of Today, are looking forward to the many activities in which we may participate. Above all we are looking forward to the prestige we shall gain as we become upper-classmen. Let us strive to become good followers as well as good leaders for ourselves, our community and our nation. True character withstands the pressure of time.

Eighth Grade

Yes, we the class of nineteen-hundred and sixty-six have completed our first year at T.H.S. We will always recall the first few months of changing classes, greeting our new teachers, and making new friends. The everchanging sea of strange faces has become familiar and we no longer feel the awe of the larger rooms. Now, they are a source of pride to us. May the next four years at Tazewell High School be as filled with memories as the year that is now closing.

Varsity Football

Despite the drawbacks of this year's record, the Varsity Team has much of which to be proud. This year the team has displayed a high degree of teamwork. The boys have become increasingly aware of the value of co-operation on every play. Good school spirit has also been in great evidence to everyone. We are looking forward to a bettering of the Bulldogs' standing record.

Fighting for the first down.

Trying for another touchdown.

After the game.

Mr. Don Moore, Mr. Bob Miller, Mr. Rider, Mr. Tiff Kiser.

Mr. Eugene Ross

Coaches

What can truly said about an athletic coach that hasn't been said already? One can say that he is the best, cannot be put in the same class with some other "run of the mill" coach; but that has been over-used. So, the best thing to say is that our fine coaching staff, Mr. Miller, Mr. Ross, Mr. Moore, Mr. Kiser, and Mr. Rider, is doing the job that they were assigned: to build men out of boys. Mr. Ross, our principal, has done wonders with the golf team while building stamina and endurance. Mr. Miller, in his five years as head football coach, has enjoyed tremendous success and has turned out many a "horse" of a man. Mr. Moore took over as track coach three years ago and practically all the endurance-bearing records have been set under his tutelage as he brought the relatively minor sport to the front at Tazewell. Everyone knows about the fine job Mr. Kiser has done with the basketball team. There are still a few "old-timers" around who can tell about the 15 consecutive games in 1959-60 in which the Bulldogs fought from behind to win with Coach Kiser pulling his hair out while sitting on the sidelines. Mr. Rider is a new addition and adds a touch of youth to the staff. Coach Rider is completing his first year at T. H. S., and as someone said, "Coach Rider is just one of the boys." His understanding of the modern athlete has added that special touch to the staff. Let's all pay tribute to a great "bunch of guys" who have worked like madmen to better the male youth of our high school.

Varsity Basketball

Tazewell High School's basketball team for 1961-62 was comprised of juniors-Tom Mustard, Don VanDyke, Dave Rye, Bill Stevenson, Don Davis, Bill Fox, and Kermit Dye. Sophomores-Bill Burnette and high-scoring Phil Snapp were also on the team and also on the starting five. The team has good potential

and should improve with Snapp averaging 15.5 and Burnette improving every game. The Bulldogs should have a power-house in the future.

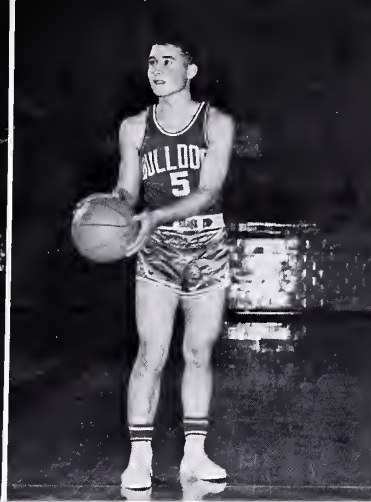

End of the Pep talk . . .
Now get in there and fight!

The Student Council Strives

S.C.A. OBJECTIVES FOR 1961-62

- To promote better sportsmanship
- To promote citizenship
- To encourage health and safety practices
- To keep house and grounds clean and attractive
- To provide recreation
- To promote the Honor Code
- To provide for Spiritual Life program
- To keep bulletin boards attractive
- To publicize the activities of the school

President: Amoth Hayes
 Vice President: Tom Mustard
 Treasurer: Charles Altizer
 Secretary: Phil Snapp
 Program Chairman: Shirley Snider

HONOR CODE
 of
TAZEWELL HIGH SCHOOL
 As a member of the student body
 at Tazewell High School,
 I HEREBY PLEDGE MYSELF:

- To be honest with myself and others in thought, word, and deed.
- To promote clean wholesome thought, speech and conduct.
- To be helpful and friendly to teachers and fellow students.
- To be considerate of classmates, officers, safety patrols and bus drivers.
- To encourage decent conduct, always remembering that I represent my school and community.
- To strive to achieve and maintain high moral standards that will be a credit to my home and my school.

Signature _____

Do you have yours????

The Student Council is composed of officers elected by the Student Body and representatives elected by each home-room and the various school clubs.

The purpose of the Student Council Association is to promote better relations between the students and the faculty.

Thespians

Thespians Troupe 1431 was formed for two major purposes. First, it was organized to honor those students who achieved outstanding success in the field of the dramatic arts. Secondly, its purpose is to encourage more participation in and appreciation of high school dramatics.

We strive always to keep before the members and the high school student body one motto: "Act well your part; there all the honor lies."

Thespians doing what they like best--acting.

Hayes Heads SCA

The S. C. A. for the new year is beginning to get into full swing.

Officers for 1961-62 are President, Amoth Hayes; Vice-President, Tommy Mustard; Secretary, Phil Snap; Treasurer, Charles Altizer and Shirley Snider as Parliamentarian.

Activities and policies for the coming year are in the process of being formulated. Home-room representatives are urged to attend each meeting and to bring notebooks to record notes in order that they can better inform the members of their class on all S. C. A. meetings and discussions.

Annuals On Sale

The Annual has been on sale for two weeks, and will be on sale again the first week in October.

If you have not bought your Annual now, do so the first of October. The price is \$2.50 now and \$1.00 upon delivery next spring.

The Peak is a yearly recording of our school's activities. The staff of the Peak is composed of outstanding students who wish to help promote the yearbook and work in the field of journalism.

Any club that is interested in purchasing their last years club picture for their scrap book may purchase them from the Annual Staff for 50c.

FHA Officers Elected

The new F. H. A. officers have been elected for 1961-62. Sherry Farley as the new president, Zelah Henry Vice president, Jean Jones, secretary, Marilyn Grandstaff, treasurer, Erma Stevenson Sergeant at Arms and Margaret Presley, Historian. The club sponsor is Miss Geraldine Hill, the new Home Economics teacher.

Terms For Working Students

These are the terms to which a student who works for his lunch must agree if he wishes to obtain and hold a job in that capacity: 1. Attend school regularly unless sick. 2. Show need for financial help. 3. Do the job well. 4. Not smoke. 5. Conduct self properly. 6. Not waste money. 7. Keep body and clothes clean. 8. Attend Sunday School and Church regularly.

Eighth Grade Science Club

"This is what the finished product looks like."

Stagecraft

Stagecraft Class was put into the curriculum of Tazewell High School when the school moved to the new building, because of the great need of someone to take care of the Auditorium. Stagecraft boys are in charge of staging all programs that take place in the auditorium. They are also in charge of the immense light panel, sound, curtains, and many other jobs. We would like to commend Miss Dickenson, the stagecraft sponsor, for the fine work she and her stage crew are doing this year.

Tom Whitt, Jerry Wilson, Pat Grinsell, Wayne Dixon, Roy Terry, Roger Hess, Rusty Taylor, Gary Kiser, Bill Bandy, John Sparks, Don Barnes, Harold Crouse, Douglas Stevenson, and Sponsor Miss Ella Bryant Dickenson. Pat Grinsell is student chairman with John Sparks as co-chairman.

George Eubanks, Clifford Leftwich, Tommy George, Henry Kiser, Norman Myers, Betty Monk, Thain Baird, Walter Baugh, Wayne Smith, Ronald Davidson, Stephen Perry.

Science Projects

The Science Projects Club is for students in grades 9, 10, 11, and 12 who are seriously interested in developing a science project. During the first semester a study is made of how to do an experiment, exhibit techniques, etc. The second semester involves completion of a project.

Christmas Pageant

The Christmas Pageant is a traditional program of Tazewell High School written by Mr. J. L. Walthall, superintendent of schools, and is presented by the students and faculty as a gift to the public.

"Be not afraid for I bring good tidings of great joy."

"For unto you is born this day in the City of David is a savior, Christ the Lord."

"And ye shall find the babe wrapped in swadling clothes lying in a manger."

Football Review

The Bulldogs of Tazewell Hi didn't finish with the best football record in the state; nor, did they finish with the worst. They broke even at 5-5.

Here's the way the ball bounced throughout the season for the Bulldogs:

In the first game of the season, Virginia Hi of Bristol pranced into town and went home dragging their Bearcat tails between their legs as they were crushed 20-0. Quarterback Don VanDyke and fullback Don Barnes did all the scoring for the Bulldogs. In the first half, Barnes carried across from the three and VanDyke from the four behind the fine blocking of guard Wayne Dixon. Barnes got the extra point after the VanDyke TD and the Bulldogs were away and winging 13-0. The third chapter went scoreless, but the Bulldogs drove 48 yards in the fourth quarter with Barnes going over from the 20 following the blocking of Tom Mustard and Dixon.

In the second game of the season, the Bulldogs were less fortunate as they ran into a stone wall in Grundy's Golden Wave and a 19-6 defeat at Grundy. The Bulldogs started off as if they were going to make an exciting game out of it. Barnes took the opening kick-off and raced 77 yards for a touchdown. He was set loose by the blocking of the right side of the Bulldog brigade and outran the last three men. After that there wasn't much to cheer about. Grundy came right back and scored and then iced it with touchdowns in the second and third quarters.

The story of the third game was about the same as the second, only this time it was on the Bulldogs' home turf and the Andrew Lewis Wolverines provided the opposition. The final score 18-6 (Andrew Lewis had the 18) told the story of the game. Quarterbacks VanDyke and Bobby Brown could not find the target in the Bulldog passing attack. Brown completed three of eight-but two of those completions were to Lewis players. VanDyke connected on three of nine-all to Bulldog players. The Bulldogs did finally score in the final period, and it was on a pass. It went from VanDyke to end Mustard from 18 yards out. Wolverine Richard Beach scored all three touchdowns for the visitors.

The Bulldogs went down to their third straight defeat in Bluefield against Graham Hi's G-Men 14-6. Again the Bulldogs scored first on halfback Bill Sutherland's 55-yard jaunt around left end. Sutherland broke loose after a tremendous block by guard Richard "Fuzz" Mays. After that, Graham halfback Rusty Fife took over. He scored both G-Men touchdowns and one of their extra points. One of Fife's TD runs covered 89 yards.

The Bulldogs returned to Tazewell the following week for Homecoming and returned back Richlands' Blue Tornado 12-7. The game was not too exciting for the fans except for a brilliant passing show put on by Tornado QB Darrel Harman at the end. The Bulldog touchdown was scored by halfback Bill Fox on 7-yard and a pass from VanDyke to fullback Tom Shrader from 12 yards out.

The Bulldogs traveled to Marion the next week and blew through the Scarlet Hurricane 40-6. Practically everyone got into the act. Barnes scored twice, Fox once, linebacker Wayne Dixon returned an intercepted pass 71 yards for one, and the junior varsity came in the last quarter and scored twice. The jayvees scoring were fullback Orval O'Quinn on a 17-yard pass from Brown and freshman halfback Dennis McReynolds, who became the first player in the school's history to score a touchdown in games with the varsity, junior varsity, and junior high in the same season.

Returning home for their next engagement, against the Big Creek Owls, the Bulldogs displayed their offensive prowess for the home town folks with a 34-19 pasting the Owls. VanDyke and Barnes delighted the fans by scoring 33 of Tazewell's 34 points. Barnes got two TD's and two extra points and VanDyke chalked up three touchdowns.

At home again for their next fight, the Bulldogs played a very nice host to the Bluefield Beavers and lost 26-7. Barnes got the only Tazewell TD on a one-yard plunge.

The next week, the Bulldogs made the long trip to Roanoke to play in Victory Stadium against the rough and tumble Patrick Henry Patriots. The Patriots used the bullet passes of quarterback Hill Ellet to rush into the lead at the start and hung on in a "sea of mud" second half to win 20-6. Sutherland did bring the 15 Tazewell fans to their feet with a spectacular 55-yard TD spree on the last play of the first half.

Tazewell, again playing the role of nemesis as they did last year defeated the Saltville Shakers 6-0 to drop them into a tie with Graham for the Southwest District Championship. Sutherland came through with the scoring play from 15 yards out behind the blocking of right tackle Larry Lambert and right end Kermit Dye. However, it was not Sutherland's run that highlighted the game. It was tackle Larry Brown who broke through the Shaker blocking corps and blocked and recovered a Saltville punt on their own 15. Sutherland then took it over on the first play, a burst off the right side that took him to the five where he was hit by two Shakers and carried them over with him. Defensive play led by Bulldog tackle Jerry Angles, stopped Shaker All-State candidate Neil Johnson with 18 yards and in 10 carries. The win left the Bulldogs with a 5-5 record. But, everyone on the team, including 22 lettermen, are slated to return for the 1962 season. Watch out!!!

Lee Sizemore
